For technical reasons associated with color reproduction, the colors shown give only an indication of shade. No guarantee can be given that they will exactly match the powder product.

La technique d'impression des teintes sur papier ne peut pas reproduire avec fidélité l'aspect de nos peintures en poudre sur métal. De très légères différences peuvent donc être éventuellement constatées.

Per motivi tecnici associati alla riproduzione del colore, i colori mostrati danno solo una indicazione di tinta. Non è possibile garantire che il prodotto in polvere corrisponderà perfettamente.

Survival World

Combining a spirit of resistance with an industrial wasteland aesthetic that draws on the post-apocalyptic world of video games for inspiration. Old gold, bronze, coppery effects and oxidized black deliver a palette of nuances that are alternatively raw and sophisticated. A range of matt finishes and smooth or sandy surfaces with uneven textures permeated by traces of oxidation.

Neo Elementary

A return for solidity, minimalism and timeless design. Simple beauty and traditional craft know-how merge with the lasting appeal of sand, stone and wood to develop an efficient aesthetic that can be either restrained or radical. Neo elementary represents a range of light, neutral tones with smooth matt and gloss or sandy, granular textures.

Metamorphosis

Scientific progress and technological developments are pushing back the limits of possibility, creating a future-in-the-present. This highly contrasting range oscillates between subtly iridescent white and futuristic black, incorporating smooth and spangled textures for use with satiny or ultra-shiny lacquered finishes.
